Dear Parents

The annual Years 5 and 6 excursion scheduled for Wednesday 13 September to Friday 15 September was going to cost \$365.00 per student to attend. Thanks to our P&C who are contributing \$20.00 for all student annual excursions, we are able to confirm that the cost will now be \$345.00.

Thank you to those who have already sent in their deposit or started to make payments. Anyone who has already paid the full amount is asked to contact the school office to arrange a refund of \$20.00.

Please be aware that full payment must be made by Friday, 8 September (Week 8 Term 3). Some financial assistance is available through the school, if the cost of the excursion is preventing your child attending, PLEASE do make an appointment to come and discuss ways that we can assist you financially.

This is a wonderful experience for your children and is tied closely to the HSIE unit being studied on democracy.

Yours in Education
