Dear Parents and Caregivers

Please find below a **GENERAL CONSENT FORM**. Would you please sign the form and return it to school as soon as possible.

This form when signed by parents, would enable the school to travel to the different venues we use within Culcairn without having a separate Permission Note for each visit / activity. Venues might include sports fields, Billabong High School, Police Station, etc. Travel for such occasions would be by foot, by bus or by private transport depending upon the venue. All visits to these venues would be related to the school curriculum.

If the school were planning an excursion outside of Culcairn a separate permission note would be required.

This note will provide permission while your child is a student at Culcairn Public School. **A separate note is required for each child.**

Thank you in anticipation of your support.

Yours faithfully

Craig Allibon

RE: General Consent Form

My child _____ (full name) has my permission to attend various venues within Culcairn as arranged by Culcairn Public School. I understand that travel by bus or private transport may be involved.

I understand that all venues and excursions will have the approval of the Principal.
