18th March 2011

Dear Parents/Carers

Our school canteen is in desperate need of your help. If there are not sufficient numbers of parents willing to volunteer to operate the canteen then it will be closed.

This is not a ploy to get volunteers. At the P&C meeting held last Tuesday (15th March), it was decided that if parents were not willing to volunteer then the canteen would have to close. An external source would be given the opportunity to operate the canteen and this could result in price increases, as we would have no control over setting costs.

If you and your children want the canteen to remain open, then please give a little of your time once a term to volunteer. The canteen is a wonderful resource, it not only provides nutritious meals, but it also gives our children an opportunity to develop their independence and skills with using money. If you are unable to help then perhaps a grandparent, aunt, uncle or family friend could come in your stead. We welcome everyone who is willing to help.

Below is a form that we wish you to complete and return to school as soon as possible. Your response will clearly indicate if you believe this excellent resource is worth saving.

Regards

P&C Committee
