PRINCIPAL SCOOP

Christmas Spirit

As in previous years, we are asking families to send in food and other small items for our annual Christmas Hampers. These hampers will be donated to families in our school community. Any items you can spare will be greatly appreciated and can be left at the school office.

Fish in the Water

Our Intensive Swimming Program began yesterday and will continue until Friday 6 December. Students swimming skills have been assessed and they have been placed in two groups. The first group swims from 1:15pm until 2:00pm and the second group from 2:00pm until 2:45pm.

The Twilight Zone

What a great night everyone had at our Twilight Markets. The weather was pleasant and the crowd enjoyed the atmosphere and music. A huge thank you to everyone who assisted, whether that was by helping on stalls, providing things to sell, selling raffle tickets or coordinating the night. Congratulations to our P&C on the success of such an enjoyable evening. Thank you in particular to the Markets Committee who worked tirelessly throughout the year to organise the event.

The Future is Coming

Current Year 5 students who have nominated to be School Captain/Vice Captain in 2020 will present their 2 minute speech at assembly on Friday 6 December at 9:15am. All students excluding the current Year 6 will vote for school captains along with staff. Votes of students and staff will be counted by the Principal and announced to students, parents and staff at the Celebration of Learning. Students nominating for Sport House Captain will present their 1 minute speech during Sport House meetings next year. Best of luck to those current Year 5 students who are nominating for a leadership position.

How Well We Teach

Teachers are currently finalising assessments and completing students reports, which will be sent home Friday 13 December.

Fiddlers on the Roofs

The school is currently having some maintenance work completed. The roof of 1-2 and 2-3 Classrooms are currently being replaced. The Art Room and Computer Lab/Staffroom will be done shortly. During this time we are trying to minimise disruption to school routines as much as possible. Hopefully Class 1-2 and Class 2-3 will be back in their rooms Thursday.

P as in Parents C as in Citizen

Our final P&C meeting for this year will take place this Thursday, 28 November at 7:00pm in the school library. The main items on the agenda will be the school zone and reviewing the Twilight Markets.

Lots and Lots of Icecreams

The P&C have a number of icecreams left over from the Twilight Markets. These will be sold at recess this Friday, 29 November for \$1.00 each.

Another Aspect of Christmas

Our annual Christmas Scripture Service will be held on Wednesday 4 December from 9:30am in the Uniting Church Hall. Parents, family and friends are welcome to join us.

Moving Out and On

The final Year 6 Transition Day will take place Tuesday 3 December, for those students attending Billabong High School next year. This is a full day of activities and students are asked to make their own way to and from Billabong High School.

Celebrate Good Times

Our Celebration of Learning will take place on Wednesday 11 December from 7:00pm in the Billabong High School Hall. This is a wonderful evening as we recognise and celebrate our students' achievements. We look forward to students, parents, family and friends joining us for this special evening.

You Say Goodbye, We Say Farewell

Next Thursday 5 December is our Year 6 Farewell. A special dinner for Year 6 students and their parents will take place in the Andrew Hoy Pavillion at the Culcairn Sportsground from 6:00pm. Thank you to everyone who has helped with the organisation of this special event.

Final Word

Thank you to all those families who have supported their children and our school by paying their Program and Resource Fee. Without the funds you make available to us, we would not be able to provide the variety of equipment and activities that your children use and enjoy.

Yours in Education
