PRINCIPAL SCOOP

It's great to be back

Welcome back to Term 4. I hope everyone enjoyed their well earned break and are well rested ready for the term ahead.

Limitations to operations

We have returned on Level 3 restrictions, which are the same as when Term 3 ended. Restrictions will change as the term goes on and we will keep you updated as soon as information becomes available.

Kinder transition is going ahead

Health NSW and the Department of Education have given the OK for Kindergarten Transition to resume. This means that our 'Countdown to Kinder' transition program will be held for the first five (5) weeks of this term on Thursday from 9:00am until 11:30am. Parents will be required to drop off their child and leave as soon as possible. Our first session will be held this Thursday 7 October. We're looking forward to seeing all our 2022 Kinders.

Keeping on a hat

A reminder that as part of our Sunsafe procedures, students are required to wear their school hats in Terms 1 and 4. From Thursday, any student who does not have their school hat will be required to play in the shade during school breaks.

Cancelled excursion refund

Just a reminder to parents of students in Years 3, 4, 5 and 6 to please return your child's 'Excursion Refund' application so that accounts can be finalised for the year.

Yours in Education

Local Health District

OUT & ABOUT Class News

Class K-1

A great big welcome back to Term 4. A reminder that all students will need to wear their hat in the playground as part of our Sunsafe procedures, NO HAT, NO PLAY. Due to COVID restrictions it will be very important for parents and carers to read the school newsletter and information posted by the school to keep up to date on when and if school events occur.

Class 1-2

Welcome back to the final term for the year. Hopefully, everyone has had the chance to recharge the batteries and enjoyed a restful time over the holidays. Traditionally, there is always lots happening in Term 4 and hopefully we will still be able to participate in some of these activities as the term progresses. Home learning will continue with the activity booklet set last term as we still have not completed all these tasks. Please continue on where your child is up to. If you need a replacement, please let me know. Have a great week.

Class 3-4

Welcome back to Term 4. It's great to see everyone in Class 3-4 after the break. Congratulations to all students for completing your board games last semester. They were excellent, well done. They have now been marked and students can take them home. We are looking forward to getting back into our regular learning schedule for this term. A term outline will be sent home this week outlining what units of learning we will be completing this term.

Class 4-5

I hope everyone had a safe and happy break. We are looking forward to a busy (and hopefully a more normal and uninterrupted) term. A term overview will be sent home this week outlining what we will be getting up to. On the last week of school 4-5 presented their class item 'Candyland'. We uploaded it to Class Dojo and Facebook so if you missed it go and check it out! They did such a great job. Both Year 4 and 5 worked on their board game or democracy projects last term. If any are still at home, could they please be brought in this week. Any questions please contact me on Class Dojo. Have a great week.

Class 5-6

Welcome back to Term 4. It is wonderful to see all the students back here at school and back to face-to-face learning. We are back to our normal routine this week and we will begin homework next week on Monday. Please remember to support our SRC fundraiser, we have extended the deadline for orders until Monday of next week (11 October 2021).
