## PRINCIPAL SCOOP

### What are the rules?

With the lifting of Stay at Home orders, students and staff enjoyed their first day back at school yesterday. We are currently on **LEVEL 3** restrictions, which mean no visitors are allowed on site. This means that parents need to make an appointment to come onto the school site. All adults/teachers are required to wear masks both inside and outside classrooms. Students are to stay in their class groups as often as possible. Parents and carers need to maintain social distancing when dropping off / picking up their children from outside the school gate. It might even be best to stay in the car on the school side of Balfour Street and have your child/ren walk to you.

### Supporting Footy Colours Day

This Friday 17 September is Footy Colours Day. Students can come dressed in their favourite sporting teams colours and donate a gold coin if they wish. All money raised will go to the Fight Cancer Foundation.

### Not this year

Unfortunately with current Covid-19 restrictions banning overnight excursions, the Years 5 and 6 Canberra excursion and the Years 3 and 4 Snowy River excursion have been cancelled. A note went home yesterday with options for a refund or to use the money for some other school activity in the future. If you could please return that note as soon as possible so refunds can be arranged where necessary.

### Transition for Kinders

Unfortunately our 2022 Kindergarten Transition program has also been impacted by Covid-19 restrictions and is on hold. We will keep you informed as to when this important program will resume.

## Showcasing our talents

Due to current restrictions this year's Talent Quest has been cancelled.

## And another victim

Our annual Milo T20 Blast/Super 8s Cricket day, which was to take place on Friday 8 October has been cancelled due to Covid restrictions. Hopefully the event will return in 2022.

## Finally some good news

Our last day for this term is Friday 17 September. Students and teachers will return to school on Tuesday 5 October, straight after the Labour Day long weekend. Enjoy the holidays and come back ready for a busy Term 4.

Yours in Education

Craig Allibon

## Class K-1

K-1 have been doing a fantastic job completing their activities during home learning. Miss Taylor and Mrs Leov have loved seeing K-1's smiling faces on our daily zoom lessons. Keep going with your great learning K-1. Last week we had a pyjama day on Thursday and everyone came to your zoom lesson dressed in their pyjamas. We hope all the Dads and Grandpas had a lovely Father's Day and enjoyed their gift. Have a great holiday K-1.

## Class 1-2

Welcome back. It is so lovely to see everyone back in the classroom and eager to learn. We are enjoying getting back into the school routine, seeing all our friends and catching up on the news. This Friday we will be finishing off the term with Footy Colours Day. Don't forget to come dressed in your favourite footy gear or colours to finish off the term. Wishing you all a very relaxing and enjoyable holiday break.

## Class 3-4

A big thank you to parents and caregivers for all your assistance in setting up and guiding your child through online learning. It was a big adjustment for all over the past 4 weeks and we are so grateful for all that you did. If you are ever concerned about your child's learning or in particular their well-being, please reach out to Mr Kent or Miss Taylor through Class Dojo. Students had lots of fun dressing up at school and on their zoom call in Week 8. It was great to see lots of crazy hair and creative costumes. Last Thursday students were invited to wear their favourite pajamas to school or on their zoom call. We loved seeing everyone on there. Hope you have a wonderful holiday.

## Class 4-5

4-5 made the most of their online learning by taking advantage of all the amazing online resources. We had fun celebrating Book Week virtually, with each day listening to different authors and illustrators on their processes and where they find their inspiration. In Week 8, we attended our virtual excursion to Canberra. We got to visit the National Museum of Australia, Old Parliament House, the National Gallery of Australia, the National Film and Sound Archive of Australia, the Australian War Memorial, the National Portrait Gallery, Parliament House, Questacon and the Royal Australian Mint. Thanks again for all of your support. If you have any questions please message me on Class Dojo. Have a great holiday.

## Class 5-6

Class 5-6 continue to be dedicated and mature learners. Over the past 4 weeks, students attended our daily zoom meetings and busily sent in work samples. Please keep up the great work now that we have returned to school. I enjoyed seeing everyone in their pyjamas for our PJ Zoom day last Thursday. Hope you all have a relaxing holiday and come back ready for a busy Term 4.
