PRINCIPAL SCOOP

Welcome back to Term 4. I hope everyone enjoyed their well earned break and are fully rested ready for the term ahead.

Packed and ready to go

The Year 5 and Year 6 students are getting excited about their excursion to Bendigo and Ballarat this Wednesday, Thursday and Friday. Mrs Smith, Miss Seidel and Mr Allibon will accompany the students. Miss Seidel's Year 4 students will work in other classrooms during this time. The excursion supports work students have completed in the unit on Gold.

Tripping the light fantastic

Students are currently completing their class dance routines and will showcase these for parents and friends on Thursday 20 October at a special assembly from 2:15pm. This will be our assembly for the fortnight. All other assemblies this term will be held on even weeks on a Wednesday from 2:45pm starting on Wednesday 2 November.

Non-denominational religious instruction

This term will see the reintroduction of Scripture, which will be held in 3 groups: K, 1, 2; 3, 4; 5, 6. Students participation will be taken from your child's enrolment form and past involvement. If you no longer wish for your child/ren to be involved in non-denominational scripture, please inform the school in writing (text or email is suitable). Non-scripture students will complete supervised activities in the library.

Have you had your say?

A reminder that our school is once again participating in the Partners in Learning Parent survey. The survey asks parents and carers a number of questions to do with their child/ren's schooling. This feedback is valuable as it enables us to make practical improvements and assists with school planning. The survey takes around 10 minutes to complete and can be accessed at:

Check in Assessments

Year 3, Year 4 and Year 5 students will complete check in assessments between Weeks 2 and 3. Check in assessments are a NSW Department of Education online reading and numeracy assessments available to support schools to assess and monitor their students' learning. These assessments supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to students individual needs.

Woolies blast the cricket school cup

We will be hosting the Woolworths Blast School Cup on Friday 28 October at the Culcairn Sportsground in conjunction with CricketNSW. Students in Years 3 to 6 will be involved with around 300 students from other schools within the region. Our school will also operate a canteen on the day. If you are able to assist in the canteen or manage a team, please contact Ms Jena Kent, your child's class teacher or the school office. It will be fantastic to be able to participate in this great event for the first time since 2019.

Yours in Education
